## INSURANCE FAQs:

***Can I get an estimate for my out-of-pocket cost for Physical Therapy when I go through insurance?***

*Yes. Simply give us a call with your insurance information. We then take that and run it through a process to figure out a rough estimate.*

***If I come to Physical Therapy without a doctor's referral will insurance still cover it?***

*Yes, most insurances do still cover Physical Therapy without a doctor's referral. You can give us a call to get the details and an out-of-pocket estimate for your specific insurance plan.*

***Does Elite offer cash pay options if I don't have insurance, or don't want to use it for Physical Therapy?***

*Absolutely. We offer PT Plus packages for the cash pay option for individuals who do not have insurance, or wish to not use it. Call for complete pricing.*
